- Attendance at an in-person Orientation session is not required, but it is strongly recommended.
- Orientation sessions will be offered every hour on the hour during school hours for the first two weeks of summer school. Students can attend any time that is convenient.
- Attending an in-person Orientation session will give students the opportunity to meet their teacher and to thoroughly understand any requirements specific to their class.
- In past years, student success was directly linked to attendance at an Orientation session.
- **Regardless of whether you attend an Orientation session, you must complete and submit the Orientation assignment online no later than June 30<sup>th</sup>! If you do not submit the Orientation assignment on time, you will be dropped from the class!**

## Drop Deadline

- After July 6, this course (and any grade earned) will be recorded on the CUSD permanent transcript.

- All email correspondence goes to the parent's email in Aeries (not to the student).
- In Mid-April, parents will receive a welcome email explaining how the class works, dates, locations, and other important information.
- On June 11, parents will receive a second email with teacher assignment and more details.

- **All work must be completed no later than noon on July 18, 2023!**
- You should plan to spend ~15-25 hours per week, per class, completing online work.
