How to Help Your Child Be Successful

1) <u>Get your OWN account on Canvas</u> paired with your student. <u>LINK</u>

- Do not just use your child's account, you need to have your own
- Pair your personal email with Canvas this way you will get all email sent to you from teachers (<u>Link</u> to instructions)

2) Structure Independent Days

- $\circ~$ Distraction Free Workspace
- $\circ~$ Specific Times to work on each period
- Check on your child to make sure they are working on their assignments during the days they are at home

3) Once a week, check <u>ALL course grades</u> and on <u>missing assignments</u> in each one of your child's classes on Canvas

- Check more often if you are finding more than 1 missing assignment each week
- Encourage your child to complete missing assignments – even if only for partial credit
- 4) Once a week, double <u>check your email</u> to make sure you have not missed important information from your child's teacher(s)
 - We are a team but we can not help each other if we can not get ahold of each other
 – it is imperative that you are getting and reading emails

5) Check with your child DAILY that they completed the work that was assigned.

- Have them show you each canvas course and the assignments they had
- Have them show you the work they completed
